using narrative therapy in my practice
May 10th, 2020 - as i am using narrative therapy in my practice these days i
thought I would let you know a little bit about it. Narrative therapy is different from traditional therapies and psychological perspectives as it is one of the therapies that stems from the postmodern approach of social constructivism (Corey, 2009).

Narrative Therapy
June 5th, 2020 - Narrative therapy is a form of psychotherapy that seeks to help patients identify their values and the skills associated with them. It provides the patient with knowledge of their ability to live these values so they can effectively confront current and future problems.
