"The private collection of edgar degas metpublications"
May 30th, 2020 - When Edgar Degas died in 1917 his enormous art collection consisting of several thousand paintings and prints came to light this remarkable assemblage included great numbers of works by the French nineteenth century masters whom Degas revered Delacroix ingrés and Daumier and at the same time demonstrated Degas s profound interest in the art of certain of his contemporaries Sotheby s the city review
May 20th, 2020 - Henry Moore s drawings for example have a more consistent level of high quality than his sculptures which is not to denigrate his great achievements as a sculptor tot 287 leaf figure no 2 is a 9 inch high bronze sculpture that is extremely interesting and rather reminiscent of some early near eastern works and a strong example of
